Basketball Soccer Combination – BSC01

The newly released BSC01 Basketball Soccer Combination provides both Basketball and Soccer activities in one compact unit. Developed to make the most of limited recreational space, this architecturally designed product will provide endless hours of fun for a diverse range of users. The BSC01 is available in either galvanised finish, for that raw, urban look or in a full range of modern powder coat colours.

NextGen Basketball Tower – BT29

The NextGen Basketball Tower, with its bright powder coat finish and funky colour schemes, has been designed to compliment new or existing Playgrounds. Standard Basketball Towers are generally supplied in a galvanised finish which often detracts from brightly coloured adjacent Playground equipment. The NextGen Basketball Tower is available in a full range of modern powder coat colours.

Groovy Sports Picnic Tables

1. Basketball Picnic

2. Aussie Rules Picnic

3. Tennis Picnic

4. Soccer Picnic

Groovy Sports Picnic Tables are available in Basketball, Soccer, Tennis and AFL configurations. Seats and table tops are made from hard wearing high density polyethylene and frames are made from galvanised and powder coated steel. Suitable for installation around Playgrounds or in Sporting precincts. Non-sporting theme Sunflower, Ladybug and Chessboard models are also available.

Line Marking Services

1. Hop Scotch

2. Four Square

At CMA we offer a comprehensive line marking package for Councils, Schools and Community groups. In addition to Sports court marking we also provide playground markings including Four Square and Hopscotch.
